## What's cooking?

It's that magical time of the year, when every petrolhead, like grown boy is awaiting for Santa's surprises and are preparing their toys for the next season. Well, for the most impatient of you our team will make dreams come true even before your letter to the white-bearded man have arrived in Lapland.

In 2019 the **Overdrive Lap Battle** team, together with our partners will be turning the freezing cold winter into a an amazing fairytale, extending the summertime with a sequence of events into one of the most beautiful and exotic places in Europe at some of the most exciting race tracks of a world class.

The **Overdrive Lap Battle's "Winter 2019"** will allow those of you, who

want to practice serious motorsport to make enough training before the start of the season, and the rest, who just want to have fun on the race track, to grant a great opportunity to organize an astonishing vacation for you and your families.

Our team will be more than happy to provide you new and exciting experiences!

During the 2019 winter season we will offer a variety of events on some of the most challenging and exotic race tracks in the warm parts of the old continent and our team will be at your disposal to add an additional taste for a special atmosphere in your experience!
